- **Location:** Buenos Aires, Argentina
- **Coverage:** U.S. payer workflows
- **Team:** Leads + specialists
- **Scale:** 15+ FTE in 90 days
- **Pricing:** Approximately 30% lower than in-house staffing

Implementation Framework

1 Integration & Knowledge Transfer

- EHR deep dive
- Provider preferences
- Payer mapping
- IT alignment

2 Recruitment, Training & Testing

- Bilingual hiring
- Workflow training
- HIPAA compliance
- QA testing

3 Execution & Communication

- Portal submissions
- Follow-ups
- Denials
- Appeals / peer reviews

4 Oversight & Scale

- Real-time support
- Audits
- KPI tracking
- Rapid scaling

What this means for your practice

- ✓ Lower administrative burden
- ✓ Faster authorization throughput
- ✓ High process consistency
- ✓ Reduced internal staffing pressure
- ✓ Rapid scalability
- ✓ Full operational accountability

We do not replace your process.

We enhance it.

KCCA works as an extension of your team aligned with your SME and leadership.
